PRODUCT DESCRIPTION

This is a very large inventory of Herman Miller Canvas cubicles. These cubicles come with over head (sliding) bins, lateral files, above surface power on the wing walls, change of depth work surfaces and more. These are a very rare find in this quantity. We are rating these cubicles a 9/10 on the quality scale, they are virtually brand new. Additional photos can be provided upon request. We have both 8X6X53" and 9X12X53" cubicles in stock. The price on the 9X12 is \$999 each. All cubicles come with everything you see in the photos, minus any seating. Email us now to secure these.
