### **PRODUCT DESCRIPTION**

Knoll Morrison fully loaded 7.5x7 cubicles with 64" high panels step-down to 56" high panels. These stations have a BBF locking pedestal and (2) FF locking pedestals. Also seven and a half foot of overhead storage, (3) 30" overhead bins. Worksurfaces are 30x60 main with a 30x84 return. Paint is dark gray (graphite), worksurfaces are white and there are two fabric colors consisting of a gray pattern on one side and a plum color on the other. This inventory is non-powered, adding power is not a problem. Good as-is condition and good working condition.
