**PRODUCT DESCRIPTION**

AO2 8x8 workstations that can be reconfigured into 6x8 or 8x6. Each station has a 24x48 corner with (2) 24x48 return surfaces that can be cut into 24x24 returns if needed. Plenty of 24x67 panels in this inventory to support the 6x8 or 8x6 station size. each station has a Meridian BBF and two-drawer lateral file. The 48" flipper door is covered with a navy blue fabric as well as the 48" wide tackboard. These can be reupholstered to help the station match your existing color scheme. Panels down center spine are powered.
